EXPRESSION OF WISH - ACCOMPANYING NOTES

Rule 5.6 of the Scheme Rules provides for lump sum death benefits to be paid by the Trustees of the Scheme. They have wide powers as to whom they make payment and the Letter of Intent is provided for you to notify them as to whom you would wish payment to be made in the event of your death.

A list of the possible beneficiaries is shown below. You may ask the Trustees to pay to one or more and in different proportions, as long as the total is 100%. Charities and other such organisations cannot be named as potential beneficiaries as they fall outside the scope of the Trustees powers. Category 1 may include beneficiaries under a personal trust. If you are thinking of establishing such a trust you should obtain legal advice and contact the pensions team at: NGUKGasPension@howden-group.co.uk

By completing and signing this form:

- I understand that the Trustees of the NGUKPS (the 'Trustees') will use the personal information I provide about the individual(s) I nominate for the purposes of determining the award of any lump sum benefit payable upon my death
- I understand that in order to comply with trust provisions, the Trustees are not bound by my wishes and that it is at their discretion as to whom should be awarded any lump sum benefit in the event of my death
- I understand that the opinion of the Trustees shall be final as to whether or not the nominated person should receive any lump sum in the event of my death

- I understand that the information I am providing may be special categories of personal data and that the Trustees can disclose the information to their appointed professional advisers as they deem necessary
- I acknowledge that the information I am providing will be retained by the Trustees for as long as necessary in order to ensure the proper administration of the Scheme.

Potential beneficiaries:

Category 1

Your spouse or companion or any other living person(s).
