CONVERSION OF MONEY PURCHASE AVC FUND(S) INTO PENSION

Special arrangements exist for conversion of the MPAVC fund(s) in the case of , (a) Death in Service, or (b) future inability to make a decision based on medical grounds

These are as follows:

The fund will be used to increase, in turn, each of the benefits listed below.

Should you wish to change the order of the benefits listed below, please indicate by entering the appropriate numbers in the spaces provided.

	Order	Your choice (if different)
(a) Death in Service		
Lump Sum Death in Service	1	
Spouse's/Dependant's Pension	2	
Child's Pension	3	

(b) Future inability to make a decision on medical grounds

Lump Sum Death in Service	1	
Spouse's/Dependant's Pension	2	
Child's Pension	3	

If you are satisfied with the standard order of benefits, please tick here:

☐

Additional Information

Full details of the different types of AVCs can be found in the AVC Guide which is available on the website at: <https://ngukgaspension.co.uk>

Please note: The contribution amount you quote on this form will be the gross amount deducted from your Pay & not the net amount after tax relief. Income tax relief is automatically given on the whole of your pension contributions.
